Improved financial capability and independence

Stronger emotional resilience and wellbeing strategies

Stepping into new work, training and volunteering pathways

Deep community connection and lasting peer networks

IN THEIR OWN WORDS

“

LEEF is a program for finding yourself — or re-finding yourself — and then making a garden to grow in.

MICHELLE

“

The biggest shift for me wasn't just in business — it was in how I think about money, confidence, and what I'm actually building.

ANONYMOUS

“

The friendships I've made feel genuine and immediate... you've got people who lift you when you need it.

AMBER

“

This has been life-changing — and it's only been three months!

IN THEIR OWN WORDS

“

The program came along for me at a pivotal change in my personal life and encouraged and supported me to start my business.

ANONYMOUS

“

I walked out with a stronger sense of direction and a group of women who feel like they'll be in my life long after this wraps up.

AMBER

“

The program provided me with support and encouragement to reflect on my future and consider new possibilities.

MEGAN

“

It was a fantastic experience filled with helpful workshops, information and so much support.
